7. Everett (Service Dependant)

Requests Outside of Service Area

Upon request, we do take clients outside of our regular service area!

We recognize that we have valued clients located in areas such as Barrie, Innisfil, Gilford, Mulmur, Bradford & Newmarket. With the rising cost of fuel and the attempt to keep our set rates from rising with it, we have needed to shrink our service area. However, we still are ready to assist you with you pet care needs!

Each outside request is subject to an additional \$0.50/km fee with our regular fees. Early/Late visit charges apply when applicable. This is applied daily for overnight care as well.

Thank you for continuing to trust Woof N Wag with the care of your furry friends, and we look forward to continuing to serve you!
